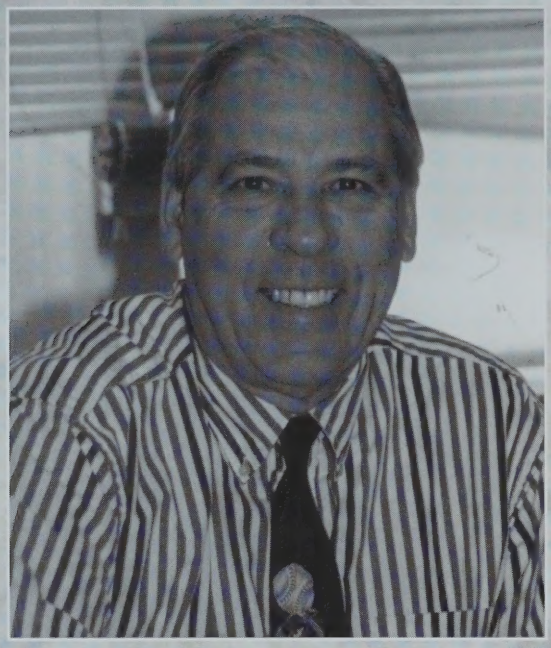
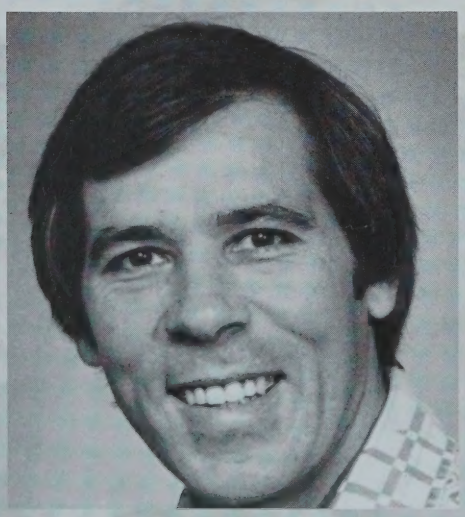
Dedication ~ Mr. Capparelli



"Mr. Capp~ you have always been there for all your students. Just remember we will always be there for you." Kene Piasta



"Mr. Capp, MHS is not the same without you. You have left an everlasting impression on all of us. Thank you for everything." Aziza Mihoubi, Class President 2002

In 1964, Mr. Capparelli began his career at Millbury High as a history teacher before accepting the position of Vice Principal in 1979. The students and faculty of Millbury High School would like to thank you for the kindness, generosity, and leadership shown in your 38 years of committment and dedication. Those who have known you will never forget you.

In Appreciation

Miss Blomquist and Mrs. Thebado

Our class advisors are two of the most dedicated people. Time and time again they have gone above and beyond their duties as class advisors. They have stayed after school for countless hours. They are always there to help even when they are completely stressed. They get the job done no matter what. Miss Blomquist and Mrs. Thebado have helped bring our class together. The Class of 2002 could never thank them enough for everything they have done. We could not have made it without them!

Tu eres los mejores…Gracias por todos.

"To achieve success, whatever the job we have, we must pay the price"
-Vince Lombardi-

A special thanks to all of the parents, the cheerleaders, and the fans for your support.

- The 2001 Millbury Woolies

With a record of 7-4 this year's football team should be proud! On and off the field our seniors were terrific leaders in carrying on that great sense of "Woolie Pride." This season was a season to remember with three thrilling victories in the first three games - all decided on the last play of the game. The school and the fans have enjoyed back to back winning seasons, an accomplishment that has not been achieved since the late 60's. Everyone should be proud of their hard work and dedication that went into the success of this year's team.

"I firmly believe that any man's finest hour, the greatest fulfillment of all that he holds dear, is the moment when he has worked his heart out in a good cause and lies exhausted on the field of battle - victorious."
-Vince Lombardi-

"It's not whether you get knocked down, it's whether you get up."

"Soccer season is never an easy one! We had a very young team and we faced some tough match-ups. Although we were not able to celebrate many wins, the fun never stopped and positive attitudes continued. In the past years we were not able to brag about great records, however the turn around is starting. Keep up the faith in Girls' Soccer because it won't be long until they have some major victories!"

"We had a very tough season this year. With a young team, 4 seniors, 4 juniors, 5 sophomores, 3 freshmen, and 2 eighth graders, we fought hard every game. We started the process of building a team on and off the field. During practices we worked on skills, through "world cup" of course, and always had a great attitude. Next year will be a very different type of season, with much improved skills, better organization, and a closer team. Remember the pasta night, boys. Good luck!"

Quotes From The Captains:

Kene #10: "We will not die like dogs; we will fight like lions. One, two, three, Millbury."

The 2001 Girls Varsity Volleyball team had a very successful season this year, ending it with a 9-8 record. The team also qualified and played in the District Tournament held at Ayer High School this year. This was a great accomplishment considering all games were played on the opponents home court, thus overcoming the myth of "Having the Home Court Advantage."

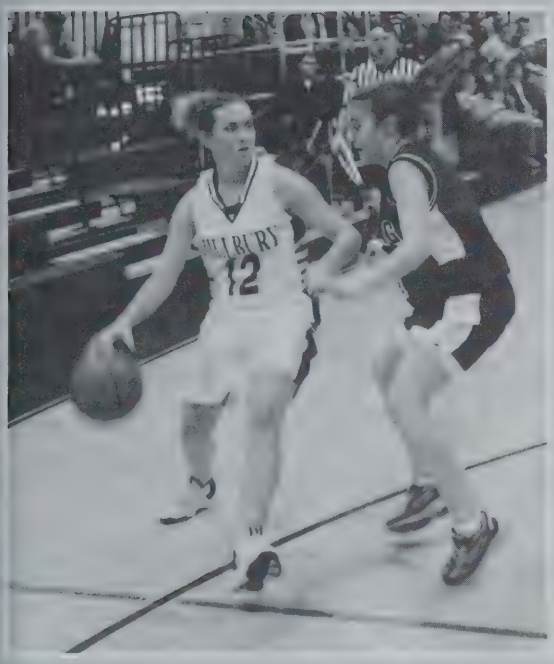
Unity promotes victory



The 2002 Woolie team consisted of two Senior Captains; Vaso Calpouzos and Kait Fournier, as well as two juniors; Emily Mulhane and Brittany Sudar, sophomores; Meagan Dufresne, Kristin Hebert, Ashley Fisher, freshman; Kayleigh Fournier; and eighth-graders; Nicole Simmler, Rachel Erickson, and Lindsay Hebert.

With only two seniors leaving, this team looks to have a very bright future for seasons to come. I would like to thank our very dedicated coach Mr. Reno for taking the time to know each and every one of us and for pushing us to the next level. Good Luck Woolies!

2002 Millbury Woolies

The Girls Varsity Basketball team had an awesome season this year. The girls really worked together in the off season and during the season to make this year one of the best seasons in the past fifteen years. Pushing ourselves to the next level landed us in all of the our first time ever district game, ending the season with 12 wins and 9 losses. The last loss was in our first district game against Whitinsville Christian.

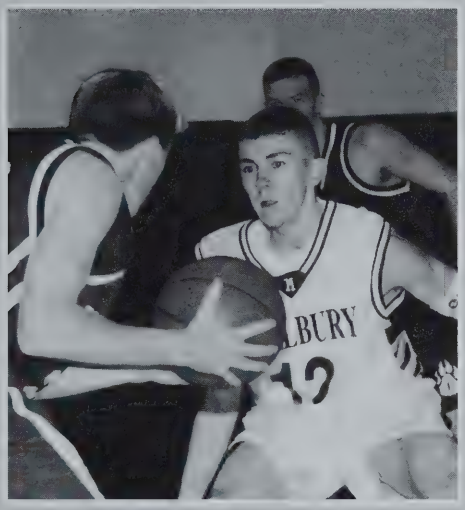
Ready for action!

GO WOOLIES!



The Boy's Varsity Basketball team was led by tri-captains Matt Lavallee, Mike Ludvigson, and Mark Strom along with seniors, Bo Luong and Nate Cadrin. All five seniors plan on attending college in the fall. Matt Lavallee and Mark Strom were selected by league coaches as All-Stars. The five seniors will have great memories of teamwork, commitment, and hard work to look back on. Some highlights of the year include league wins over Grafton, Uxbridge, and Auburn, as well as off the court highlights such as the trip to Providence College, the youth clinic, and the Assumption and Clark games. These seniors have contributed greatly to the program of Millbury Basketball, and will be greatly missed.

Cheerleaders: *Expected to be* **LOUD!**

Cheerleading is more than a *sport* - it's an **attitude.**

Simply because we do not *run across goalines*, *slam dunk basketballs*, or *hit homeruns* **doesn't** mean we can't **CHANGE THE SCORE!!!**

Junior

Cheerleaders are the only ones who know how to fly high and reach their goals at the same time.

The cheerleaders for the 2001-2002 basketball season did very well in their competitions. At the Bartlett Competition, the cheerleaders placed third. Their coach, Rosemary Reidy, received the Best Coach Award out of thirty-one coaches. At the 55th Annual David Prouty Tournament, the cheerleaders won first place for the first time ever. At the SWCL Competition the cheerleaders went against all division three teams and walked away with second place. At the Regional Competition the cheerleaders received fourth place. This year the Millbury Cheerleaders had one of the best seasons ever with a more difficult routine than ever before. The senior captains wish the best of luck in everything they do in life to every girl who cheered with them this season.

MARCHING BAND

"Always watch the high school bands' halftime performances. They practiced just as hard as the football teams."

-from Life's Little Instructions calendar

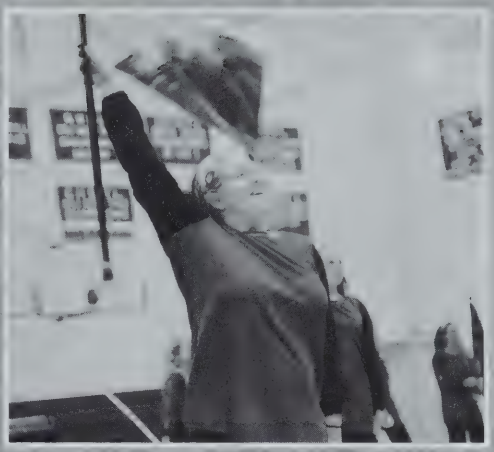
"If you're marching to the beat of a different drummer, you're probably out of step - pay attention!"

It takes a lot of devotion and work, or maybe I should say play, because if you love it, that's what it amounts to. I haven't found any shortcuts, and I've been looking for a long time. —Chet Atkins

INDOOR PERCUSSION & COLOR GUARD

"If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured or far away." -Henry David Thoreau,

Toss High, Catch Hard, Dance Big, and SMILE your hearts out!



CHORUS

Music expresses that which cannot be put into words and that which cannot remain silent. —Victor Hugo

CONCERT BAND

"It occurred to me by intuition, and music was the driving force behind that intuition. My discovery was the result of musical perception."
— Albert Einstein (when asked about his theory of relativity)

This year's Boys Varsity Spring Track team was led by team MVP Jam Luong, who was also the only 100 point scorer on the team. The team mostly consisted of young underclassmen, but everyone worked hard and never gave up. Throughout the season, the team as a whole improved greatly . . . unfortunately all track meets were away this year due to construction at the high school.
